

IV-SNVR1600

KEY FEATURES

- ▶ 16-CH Network Video Input (Up to 16 channel IP cameras can be connected.)
- ▶ H.265⁺ (H.265⁺ allows to cut down 70%~80% bandwidth while ensuring the high quality of images compared with H.264.)
- ▶ HTML5 Streaming Ready (Support previewing the video via all major browsers without plug-in when Video Codec is set to H.265.)
- ▶ Transcoding (Transcoding guarantees fluid video experience by reducing the stream data via lowering resolution, bit rate, or frame rate.)
- ▶ Versatile Interfaces (A whole array of ports provides all necessary features for effective surveillance.)
- ▶ Auto Backup (The latest 24 hours' video will be automatically backed up to USB Port Devices or NAS after setting up the backup.)

Power Decoding Capacity & Flexible Storage Options

- The 4K NVR is equipped with solid 4K decoding and display capabilities and maximum supports simultaneous viewing of 16*1080P
- Providing flexible storage options including HDD and NAS to address the needs for versatile storage.

Reliability and Usability

- RAID improves the disk reliability to ensure the recording security.
- ANR can store video data on the camera storage card when network between IPC and NVR is disconnected and retransfer the recorded video to NVR after network recovers.
- N+1 Hot Spare can keep the system working on and ensure the data integrity and reliability.

AI Video Analytics & POS Integration

- All-in-one to Manage AI & ANPR:
 - VCA Function focus on human and vehicle detection.
 - People Counting provides high-accuracy data and statistic reports.
 - Face Detection function supports attribute recognition.
 - Enterprise ANPR Management makes it easy to monitor traffic.
- POS machine information can be transferred to and displayed on the NVR.

Flexible Structure Options

- Multi-video Output in two ways: Independent Outputs and Synchronous Outputs
- Dual network ports provide three network working modes for more independence, and higher throughput and stability according to the specific applications and needs.
